**An Act To Amend the Laws Banning Polystyrene Foam Regarding
Packaging for Meat, Poultry, Fish, Seafood and Eggs**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, due to the pandemic related to the novel coronavirus disease, the Department of Environmental Protection has delayed until July 1, 2021 the enforcement of the law prohibiting the processing, preparation, sale or provision of food or beverages by certain establishments in or on a polystyrene foam disposable food service container, which was set to take effect on January 1, 2021; and

Whereas, that law exempts from its prohibition the retail sale of food or beverages that certain establishments purchase prepackaged at wholesale in or on a polystyrene foam disposable food service container; and

Whereas, that exemption has been interpreted to allow meat, poultry, fish, seafood and eggs from out-of-state producers, but not Maine-based producers, to be sold at retail in Maine when purchased prepackaged at wholesale in or on a polystyrene foam disposable food service container; and

Whereas, to ensure fairness in the treatment of both out-of-state and Maine-based meat, poultry, fish, seafood and egg producers under that law prior to its anticipated enforcement beginning July 1, 2021, immediate enactment of this legislation is necessary; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:
